The Firm

Dewan Architects + Engineers is a globally recognized multidisciplinary firm, uniting architects, engineers, planners, project managers, and industry specialists under one vision. Since its founding in 1984 in Abu Dhabi, Dewan has grown to employ over 950 professionals across 8 international offices, including recent expansions in Egypt and Vietnam. Our teams are committed to delivering innovative, sustainable design solutions that integrate cutting-edge technology with creative excellence.

We consistently push boundaries to exceed client expectations, building environments that are both visionary and enduring. With a diverse portfolio spanning hospitality, residential, commercial, retail, cultural, education, and master planning, Dewan is dedicated to shaping meaningful spaces that respond to context and inspire future growth.

Mission

With excellence, integrity, and reliability, we craft innovative and sustainable design solutions empowering people and cultivating lasting relationships.

Vision

To be a global leader in design and digital innovation, diversified across multiple sectors and services, delivering sustainable growth by nurturing the firm’s human capital.

AI, BIM & Digital Delivery

At Dewan Architects + Engineers, BIM and digital delivery are central to how we design, collaborate, and build. Our integrated workflows enable precision, efficiency, and sustainability across every phase of a project. Quible is Dewan's in-house AI-powered BIM intelligence tool, built to elevate the entire design and delivery process. By integrating artificial intelligence into BIM workflows.

Quible enhances coordination, accelerates decision-making, and increases efficiency across disciplines. It empowers our teams to design smarter, build faster, and deliver more sustainably. With Quible, we're not just digitizing design—we're leading a new era of intelligent, data-driven innovation.
